EXIGENT URGENT CARE & OCCUPATIONAL MEDICINE

DR. TOM MASKELL, MD, AND DR. JIM ALEXANDER, MD, former ER doctors, partnered together and decided to open an urgent care practice where patients could seek medical care in a whole new way. Their vision was to give patients the medical care they need promptly and with respect and compassion that patients look for in a doctor.

While not treating patients at the Upstate's first and finest Urgent Care facility for more than 30 years, Exigent's two owner doctors may be found pursuing their outside interests...

On their days off, these docs are regular people just like me and you. All year long Dr. Jim is a diehard Clemson sports fan. He enjoys antiquing with his wife Judy, grandparenting, and lake activities. Dr. Tom has a passion for horses and golf. He enjoys spending time at his farm on his tractor and with his wife, Beth. Both doctors live and work in Greenville and know the importance of giving to the community. They are supporters of their local schools and small businesses in the area.

Dr. Alexander and Dr. Maskell, along with Dr. Lynn Owens, have many years of experience in emergency medicine, urgent care, and occupational medicine that is invaluable when it comes to treatment of illnesses and injuries. The Exigent facility provides on-site lab and X-ray services. The doctors feel it is important for patients to walk into the office without an appointment seven days a week and without a long wait time.

Where patients can seek
medical care in a whole
new way...

Average turnaround time for a visit is less than one hour. The office is open all holidays for those unexpected illnesses or injuries.

Decades of experience in occupational medicine provides expert healthcare for those on-the-job workers comp injuries. Exigent offers DOT and pre-employment physicals, breath alcohol testing, hearing and vision tests and drug screenings. Give Exigent a call today to set up a company account and walk in and the staff will be glad to give you a tour of the facility.

MD ALWAYS ON DUTY.
&
EXPERIENCE DOES MATTER.
